

ChelmopolyLite – Sunday 14th March 2010

Dear Scouts

Using Chelmsford as our Monopoly Board, you must race to ‘buy’ property to earn yourselves the highest rent.

You will play the game using a mobile phone, a street map and the Chelmopoly Lite board, to buy properties around Chelmsford. The board will tell you the properties to visit, a copy of the board will be given to your leader and he / she will help you decide on the best route to take.

When you arrive at a location you will need to phone our call centre to validate that you’re at the correct location, if you are, you will receive an upfront rent payment. You can then move on to the next location. Please note - the Call Centre will phone you straight back, so you will not be subject to long phone calls.

As well as property, there are three Community Chest locations shown on the board. The exact location will be given to the teams at the start of the game. Your team **must** visit all of them between 11:00 – 2:30.

Scoring - Every location has a maximum rent payout of £100, the first team to reach this location will receive this amount, the second team to arrive at the same location will receive £90, third team £80 and so on. The minimum rent payout will be £20.00 per location. A bonus of £50 will be given to a team that visits all the same coloured property and a whopping £200 bonus for visiting every property on the board!! (Passing Go!) The property tycoons will be announced at the end of the game.

Full rules and instructions are with your Leaders.

The start:

Car Park – Known to many as “Muddy Waters” or where we start the raft race. Please arrive **NO EARLIER** than 10:00 for a 10:30 start.

The finish:

3:30pm - The Trinity Methodist Church Hall (Home of the 14th Chelmsford.)

Equipment:

- Every team will need at least one mobile phone. You will need to ring in to our very own call centre and report where you are. We will ring you straight back – but your mobile will still need plenty of credit.
- A street map. An “estate agents” free street map is ideal.
- Waterproofs etc and sensible walking shoes
- Packed Lunch and Drink
