On the 5<sup>th</sup> of January 2006

We went to the police station,  
police Hqr. In the call center

where they receive calls from the  
public. There were many types of  
people receiving different calls. We  
learn't about the emergency and how  
calls that they receive. After this we  
went to the ~~may~~ seem witch was  
opened in 1991 and we saw historical  
cell and learn ~~and about~~ police through the  
ages. They had photos and records

showing the history of the force  
from 1840. We went on to see  
the equipment that the police  
carry such as asps, batons and  
there helmets witch were big and  
supported by wood to protect  
from attacks to the head.
